OMOS School Board Newsletter

OCTOBER 21, 2009

NUMBER 1

WELCOME TO OUR OMOS FAMILY

It's a wonderful year for Our Mother of Sorrows School. We are blessed to welcome 50 new families this year bringing our total enrollment to 409 students.

Thank you for choosing to be part of our community.

Why a School Board Newsletter?

The purpose of this newsletter is a way to keep the OMOS community informed and updated of the work of your school board.

NEW BUSINESS

Grant Monies available from the Diocese

Contributions from the diocese Capital Campaign *Our Faith, Our Hope, Our Future*, have been received and a portion of those funds were designated for the elementary schools. OMOS has already received \$7500 which will be used for new computers for the computer lab.

Further money is available but must be requested through a grant proposal. Grants must be solicited for goals already included in our strategic plan. Our school is currently writing a proposal requesting money for playground equipment for the school. If accepted, the money will be disbursed January 2010.

Strategic Plan Revision

Currently the board is doing our yearly revisal of our Strategic Plan. Those items that have been accomplished such as our successful 50th Anniversary Celebration are being removed and Development, Marketing, and Facilities Goals are being reviewed and updated.

Meet Your Board

We the members of the 2009 - -2010 would like to say thank you for all who attended and made our 50th anniversary celebration such a wonderful success. What a great community we have!!
