

# Who is Mr. Pierson

I was born and raised in Arizona.

I graduated from Northern Arizona with a BSED. Major in Physical Ed.

Went to University of Phoenix for my Elementary certification and a Masters in Administration.

I have taught over 21 years,

In my class, we will be working on eye and hand coordination, sportsmanship, and skills in catching, kicking, and throwing. In grade 3<sup>rd</sup> to 8<sup>th</sup>, they will also be doing a physical fitness test, which consists of pushups, sit-ups, the shuttle run, and the mile run.

I expect all students to participate in class. If they are sick or cannot be active because they are hurt, please email me or have them give me a note. If the student is in middle school, they are required to be in the PE uniform, described in the handbook, when they have PE.

Any questions, please feel free to contact me at [cpierson@omosschool.com](mailto:cpierson@omosschool.com).
